Product ID: VEWAIRBLAST-01 - The Blast Hand Dryer in White

OUT OF STOCK UNTIL EARLY JUNE 2012

NEW - low energy kind to the carbon footprint
The Blast Hand Dryer

The Blast hand dryer simultaneously blows water off hands and evaporates residual moisture, drying hands completely in approximately 10 seconds.

1/4 inch thick porcelain enamelled cast iron cover.

Automatic sensor - 20,000 RPM motor - wattage 1450 - power rating 145W - weight 10kg - noise level 80db

The Blast hand dryer uses 1/6th of the energy used by standard hand dryers, the Blast is extremely environmentally friendly and costs up to 95% less than paper towels. Measuring just 11 inches (27.5cm high), the Blast is currently the smallest high velocity, multi-voltage hand dryer on the market today. Other excellent benefits that the Blast possesses are detailed below;

80% less to run than conventional warm air dryers

Durable, vandal resistant, cast iron cover

Three times more air velocity than traditional warm air dryers

Uses half the wattage of conventional hand dryers

5 year warranty on parts and workmanship
