Maintenance Absorbents

Our highly absorbent general purpose pads and rolls are suitable for use with water, oils, cutting fluids and mild solvents and chemicals.

PADS & ROLLS have various uses. When a spill occurs, socks are used to contain the spill then pads are used to absorb the trapped liquid in the centre. In addition, they are useful for...

Environmentally Friendly Absorbents

Ecosorb-Maintenance

Cotton and cellulose based environmentally friendly absorbents manufactured from 85% natural renewable and recycled resources. Strong, durable and absorb *20-40% more than conventional polypropylene. Ecosorb uses less energy to produce and reduces dependency on foreign oil, delivering greater price...

Oil Only Absorbents

OIL ONLY ABSORBENTS

Our range will absorb oil whilst repelling water due to the hydrophobic material that they are manufactured from. Our products will float indefinitely to full saturation, and are manufactured from high tensile strength polypropylene fibre which resists tearing and disintegration.

Oil only products act...

Universal Chemical Absorbents

UNIVERSAL CHEMICAL ABSORBENTS

'DON'T LEARN SAFETY BY ACCIDENT'

All our Chemical Absorbent products are manufactured from strong polypropylene fibre which will not break down when used with hazardous liquids.

Bright yellow in colour they are easily recognised in case of an emergency. Chemical absorbents are capable...

General Purpose Spill Kits

Accidents do happen! Emergency response spill kits ensure everything is to hand for the first responder to deal with the spill effectively and efficiently.

All our kits are colour coded for immediate identification. Refill packs are available for all kits.

Oil Only & Marine Spill Kits

The Oil Range will absorb oil whilst repelling water due to the hydrophobic material that they are manufactured from.

Our products will float indefinitely to full saturation, and are manufactured from high tensile polypropylene fibre which resists tearing and disintegration.

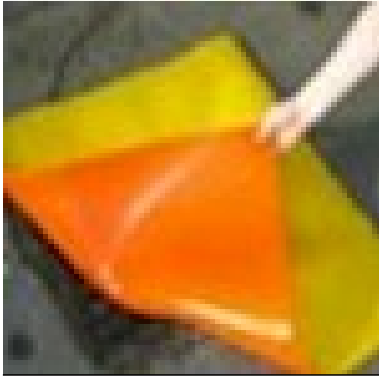

Universal Chemical Spill Kits

Bright yellow in colour they are easily recognised in case of an emergency.
