Posters and Wall Charts

No Smoking Signs

Smoking Ban 2007 - It is legally required to display a no-smoking sign at each public entrance to your workplace.

This sign must also have specific text. If you do not display the appropriate sign you could be fined up to £1000.

Choose the appropriate sign from below depending on your location.

Catering Signs

Signs ideal for the kitchen covering food preparation, equipment warnings, hygiene notices and more.

Washroom Door Signs

Caution Warning Signs

Warning Signs - If you cannot eliminate a risk entirely, you must identify that risk with a Safety Sign.

Think logically about the movement of employees and visitors around your premises. You could be held personally responsible for any accidents that occur as a result of failing to complete a full risk assessment.

Legal and Information

Legal and Information Sign

Must be displayed in the every workplace

Mandatory Safety Signs

To convey actions that must be carried out and to outline emergency procedures in the event of fire. Compliant with BS 5499 -1, BS 5499-5 and Health & Safety Regs. 1996

Brass & Aluminium Signs

Fire & Alarm Signs

Fire & Alarm

Fire Exit Signs

To comply with The Fire Precautions (Workplace) Regulations which require any automatic fire-fighting equipment to be indicated with a sign. All signs are compliant with BS 5499-1, BS5499-5 and The Health & Safety (Safety Signs & Signals) Regulations 1996.

Nite Glo Signs

These photoluminescent signs will provide high visibility in the dark, in the event of a power failure.

A light source is needed to charge the signs (normal office lighting is sufficient) and they can be recharged any number of times.

Safe Condition Signs

Safe Condition Signs
