Hand Sanitisers

Our Alcohol-free foam hand sanitiser is a safe non-flammable, non-toxic formula that kills 99.9% of harmful bacteria including the H1N1 swine Flu virus for up to 4 hrs after use. Each refill dispenses 2000 shots.

Surface Sanitisers

Sanitisers for wiping down door handles, telephones, keyboards and any other hard surfaces where germs might be lurking.

Facial Tissues

Bio Bins and Germicide

The biobin is a clinical waste disposal system, the wall mounted or floor standing unit holds replaceable cartridges that can be quickly removed and replaced with a fresh cartridge. Used cartridges can be disposed of into normal waste.
