Our Recommendations

A full range of our most popular insect pest control products at great prices to include, Zappers, Glueboards, decorative units and chain curtains.

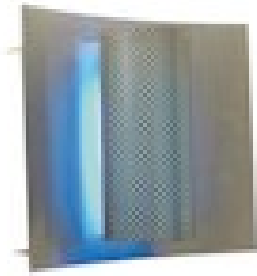

Zapper - Electric

A variety of products suitable for commercial or domestic use. Including; Plus+Zap, Plus+ZapEco, Exocutor and Allure models. The flying insect is drawn towards the unit, attracted by the UV light inside whilst a high voltage grid housed within the unit 'ZAPS' and ultimately kills the insect. The dead insects are then caught in...

Glue Board - Electric

A wide range of electric flykiller glueboard units recommended for use back of house. An electric flykiller glueboard has two main elements; the UV lamp (bulb) attracts the flying insect and the surrounding glueboard retains the fly for disposal.

Glue Board - Decorative

These products are designed for use in restaurants, bars, cafes and other front of house applications, they are also very quick and easy to service. They are suitable for desk or wall mounting. An electric flykiller glueboard has two main elements; the UV lamp (bulb) attracts the flying insect and the surrounding glueboard...

Preventative

Insecticides and door chains to prevent unwanted pests.

The light bounces off the reflective surface deterring the flying insect from entering.
